**Subject:** FBI appeals  
Let's discuss, via email if you like, how/where/in what fashion you would like me to file these FBI appeals.  
Kevin and I agree they need to be separate from the 4.16.3 mass. Currently, I have created a temporary FBI appeals folder within the FBI redwell in the four series file cabinet. But this does not accomodate SCIF material. Let me know, I don't want this to go by the wayside. Thanks, Cathy.
