Subject: Redactions on INS Document
CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 11/08/96 The Players Who initiated the call? Review Board's representative in the call: Ron HaronImmigration and Naturalization Service's representative in the call: Mike LeahyDescription of the Call Date: 11/08/96Subject: Redactions on INS DocumentSummary of the Call:I spoke to Mike Leahy re the redactions that were made on one of the documents in the INS file of Lee Oswald---the 1/25/62 INS Investigators' Report by E. Thurman and L.A. Mack. The document has redactions (made from years ago, not for purposes of the JFK Act). Mike confirmed that there is another copy, unredacted, in the "Temp" Oswald file. The other copy in Marina's file has also been redacted. I pointed out to Mr. Leahy that this document was published by the Warren Commission in full as CD 1070. I asked Mr. Leahy to find the original unredacted pages (pages 3 and 4), but he was not confident that they could be located if they are not in the Oswalds' INS files.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
