1966 Inventory of JFK Autopsy Photos & X-Rays
Subject: Confirmation of visit by Marion Johnson re: 1966 inventory of JFK autopsy photos & x-rays
Description of the Call
Steven Tilley of NARA provided a phone number for Johnson. I spoke w/ Johnson (who was very cordial) today & confirmed he was present at the inventory. Johnson said he's familiar w/ the Review Board to some extent, but I explained the nature of the Board & our search for records which are to be placed w/in the Collection to ensure his understanding of our purpose. Johnson said he remembers the event & is willing to visit our offices to share his recollections & answer any relevant questions. Johnson agreed he would arrive at our E Street offices on November 27, 1996 at 10 a.m. for such a meeting. I told Johnson I'd send him some explanatory material about the Review Board which provides our location. I also told him I could answer any questions re: directions, parking, etc... I verified his information & thanked him for his time.
Mr. Marion M. Johnson
