Subject:	FedEx and Lunch
Body:	Hope you received last FedEx message that the package would be delivered to your home on Saturday. Sorry about so many changes.The diet Coke was automatic. I have you down for the brown rice salad. But . . . I am having a problem with the sandwich choice: "chunky chicken salad" is not a choice. The chicken salad is curry chicken, with raisins, pecans, celery & onions in a curry herb dressing, which is something quite different than your usual chicken salad. The other chicken sandwich is chicken fajita with cheddar, avocado & roasted red peppers, also "different." The only "chunk" mentioned was the tuna salad - Tongol chunk tuna with celery and mayonnaise. Or are you just trying to confuse me because of the FedEx mess?
