Subject: unexpected happening
Tracy, I unexpectedly need to leave about 2 or 2:15 today. I spoke with Jeremy, he said fine. I'll fill out a leave slip, let me know if this is a problem. I will put it under sick leave. The doctor called me a few minutes ago with some results and wants me to come back in. His next opening is not til Monday. I prefer to keep this rather private at this point. Thanks, Cathy
