recstat: Description of the Call Date: 11/14/96Subject: Doug Horne Called Bob GrodenSummary of the Call:As
DeliveryPriority: requested by Head of R & A, I returned Bob Groden's call to Jeremy Gunn. I told him that in response to his
DeliveryReport: inquiry as to when he would get back the films he submitted to the Review Board in response to Federal
ReturnReceipt: Subpoena, that as soon as he reviewed, signed, notarized and returned the two transcripts of his two ARRB
Categories: deposition sessions, we would return a substantial portion of his still photographs. I told him we were
prepared to return all of his still photographs except the autopsy photographs, and Willis slide # 5. He then
asked what was going to happen to the remainder of his materials, and I told him that all of the motion picture
films, Willis slide # 5, and the autopsy photographs were being examined, and that I did not know what was
going to happen with those materials or when, but that the examinations were in progress and
ongoing.Although he expressed displeasure with the delays to date, he did indicate that in his view, this was a
step in the right direction.I told him I would recommend that we return his materials via Federal Express. END
