Subject: NSA

Tim, Have we ever asked NSA about possible tapes that they may have of conversations between television journalist Lisa Howard, acting on behalf of U.S. Ambassador William Attwood, and Castro's personal doctor Rene Vallejo in order to lay the ground work for improved relations between the two states?How about possible CIA wiretaps of the Cuban UN mission which would indicate that the agency knew about Kennedy's attempt at a rapprochement, which was supposed to be a closely guarded secret.
