**Subject:** incoming classified fax procedure  
To: allcc: From: Cathy Rodriguez/ARRB Date: 09/26/96 09:35:19 AMSubject: incoming classified fax procedureDavid has asked me to clarify the incoming classified fax procedure. In accordance with his instructions, I have designated a shelf in the SCIF "Classified Fax." When one comes in, I will place it on that shelf and send around an email that a classified fax has arrived and from whom. The appropriate teams can then obtain the fax from the SCIF. If you have any questions, please feel free to ask! Thanks.
