Subject: St Louis

Dave, the next time you talk to your contacts in St. Louis, let's ask them again for a check on David Vanek. They've looked for his records before by name and by service number without result; however, I'd like them to check their computer for his SSN: [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]. If that still doesn't turn anything up, see if they have any idea where his records might be. Here are his circumstances: He entered the Army in 1959 and left in 1965. Following medical school, he joined the Reserves as a doctor and remains in the Reserves at present. He will retire from the Reserves next year. He gave me a place to call where he thinks his current, Reserve records are, but he's not sure if those would include the records from his 59-65 service, and that's what we really need to see. Would you please see if the folks at St Louis have any advice?
