Courier to Federal RegisterThis is the message I received from Janice via email this morning. Is this going to be a problem for our info getting into the Fed. register?I just received a call back from the Courier service informing me that they could not make the 5:00 p.m. pick-up and delivery. A number of their couriers are out with the flu. I checked with Federal Register to see how late a drop-off could be made and the deadline is 5:15 p.m.. The Courier service could not make this deadline. The best they can do is have a courier her at 8:30 tomorrow morning when we open.
