Subject: team room

David and I have noticed that your team room is now smaller than your previous room (and smaller than we had anticipated). We recently found out the George Edwards has accepted another position and won't be coming to work here with us. This frees up a desk in the "non-aligned room" with Joe and Bob, at least for the time being. We would like to offer the opportunity for any of you to move into that team room if you would be more comfortable. Please let me know if you are interested in moving or if you are fine where you are.
