Subject: HSCA Records
I reviewed the Board-processed HSCA records from the November meeting (I can't find the records from the October meeting and Kevin isn't here to locate them) and the following are the only ones of interest:1) The Army personnel records of Private First Class J.D. Tippit.2) An outside contact report and an interview with Colonel Robert E. Jones regarding his activites with the Army's 112th Intelligence Group.3) An outside contact report with Harold Flower of the Army Criminal Investigative Division in which he denies that the Marine Corps conducted an independent investigation of the assassination.4) The Marine Corp investigative report into the death of Private Martin D. Schrand who served on the same base as Oswald in the Phillipines (NAS Cubi Pt.) and died of a "suspicious" gunshot wound.
