Subject:	Would you please
Body:	find out where those files you received re: postal svc came from, whether the person to whom they belong needs them back, and whether these documentts were originally in my files? I will eventually (soon) need to have them in the 4 series. My question is, why weren't they there in the first place, and more importantly, does the person need a copy back and do we need to make a working copy for you, Joe. Thanks, Cathy
