Subject: compliance letters
Nothing went out on compliance letters yesterday because Jeremy wants you to review before they do go out. I have done my best to try to get ahead of the game as possible; I still fear another last Wednesday repeat, though. Please find on your desk two drafts of letters to IRS and to Joint Staff. Let me know asap of any edits/changes necessary. Jeremy also has these same drafts in the same version on his desk. Hope you are feeling better. Cathy
