Subject: NPRC stuff...

Here are the reminders we discussed re:-copying situation (we can visit, but can't copy stuff until resolved unless we use cash)-travel stuff (the lodging last time was perfect for visiting both facilities there)I expect to have about 2 days worth of work there, if you consider the old files still there & new ones we're requesting...NPRC has set aside either Wednesday & Thursday (19th & 20th) or Thursday & Friday (20th & 21st) of next week for a visit (scheduling is tight right now for them, so we were lucky to get in this slot)...What should I ask Jerrie (if anything) re: arrangements???...I'm still finalizing my military & civilian lists, but expect to have some copying needed there re: Secret Service files....:-)
