Subject: Anna

I spoke with Anna, she agreed that it was a good idea to move the open meeting. Call her tomorrow if you have other stuff to discuss with her--I told her that I thought you might have other briefing type info since there was not a conference call but I wasn't sure. Anyway, she was fine with all of it and in a pretty good mood. She mentioned that she got a new laptop computer to hook up to her monitor and I suggested that she bring it in with her on Monday for Chet to set up. Hope that was ok. She also said that she's been getting your e-mail just fine if you wanted to e-mail her.
