Subject: Ragano Visit to DC/Inspection of His Notes

Body: CALL REPORT: PUBLICDocument's Author: Ron Haron/ARRB Date Created: 12/12/96 The Players Who initiated the call? Review Board's representative in the call: Ron HaronPublic's representative in the call: Frank RaganoDescription of the Call Date: 12/12/96Subject: Ragano Visit to DC/Inspection of His NotesSummary of the Call:After getting authorization from Jeremy, I called Frank Ragano to inform him that we would be interested in bringing him to D.C. to inspect his original notes and to interview him (I told him that we would want to take a formal deposition of him relating to his notes and the substance of his notes on the Kennedy assassination). I told him that we likely could pay for his wife to accompany him, given that he needs her to be with him in connection with his medical condition. Since he recently broke a bone in his left foot, he cannot travel for the next few weeks. However, we agreed on a tentative date of January 21-22 (the Tuesday and Wednesday after Martin Luther King day) for him and his wife to come to DC. I suggested they could come up Tuesday morning, and that we would meet with him on Tuesday and Wednesday. He has to confirm these dates with his wife, who is currently out of town. He said he would get back to me by the middle of next week to confirm; once he does I will coordinate with the appropriate admin staff person to make reservations. Ragano does not object to our inspecting the originals of his notes/records and copying what we want. But he appears to want to retain the originals. --R.Haron Don't forget to compose individual Action Item documents for any action items that resulted from the call!
