Subject:	material to review
Body:	As you are probably already aware, the NSA dropped off a packet today which is in the IN box in the SCIF. The IN Box is located near the front door as you walk in, where all of the other "slots" are that are labeled, ie: David, etc. I have a routing slip on it with both your names on the front of this NSA packet. Please review the packet and sign off on the routing slip.If there are others within the office who need to see this, please forward this email to them and let me know. I will add their name to the routing slip. When the routing slip is complete, I will then file this packet in the SCIF.
