Subject: Boston Base Hears You, Phoenix!

Phoenix-Thank you for the response! Great to hear from you and that you made it safely!Any coverage of the FBI backing down on their appeal in the Phoenix paper today? It made the Boston Globe.I'm readjusting to life back at the A.G.'s office. Carrie is on the Harshbarger Campaign Committee, so we're both starting new endeavors and feeling the pressures as such. Nice to have the support that we can offer each other. I don't know what the weather in Phoenix is, but as I drove to our Western Mass. office in a continuous rain down pour today, I figure it had to be better where you are.Do you think you'll be getting some ARRB work soon? The nice thing about having the computer, getting some work and being on line is that the separation from the Board has been less harsh. Well, Joe, good to hear from you. When you get a chance, shoot me an "e."Boston
