Subject: Vezeris letter
I note that the Vezeris letter dated December 20, 1996 is stamped "received December 20, 1996." I was here on December 20, 1996, and I was not aware that we had received anything from the Secret Service. I had been waiting for this information since December 16, 1996, which was the date we established for this evidence in the October 21, 1996 letter.
