**Subject:** A name to search  
Lt. Michael De Padro, one of Oswald's officers at Military Air control Squadron (MACS) number 9 while in California, was concerned with Oswald's receipt of Russian literature through the S-3 operations office. TIm suggested that I speak with you in trying to find this individual. We want to find out, if he is still alive, whether or not he may have ordered a mail cover operation on Oswald.
