Subject: Meeting tomorrow
Should the three of us get together at some point today and have a pre-meeting meeting, discussing a) what the Navy has already made available to NARA before ARRB; b) what they have given the ARRB in response to requests; c) what, if any, requests they have not yet responded to; d) what else we can request from them ?
As a suggestion, I would think Jeremy might have something to add to this endeavor, and we may wish to include him in our pre-meeting meeting.
