Subject: My submissions to the Board

We should respond to Paul. Let's discuss this.To: david_marwell @ jfk-arrrb.gov ("David Marwell") @ internetcc: (bcc: David Marwell/ARRB)From: paulhoch @ uclink4.berkeley.edu (Paul L. Hoch) @ Internet @ WORLDCOM Date: 01/06/97 04:57:18 PM CSTSubject: My submissions to the BoardDavid - The message below may not have gone through, since I guessed at Mr.Wray's e-mail address when I sent it last month. You are the only stafferI have met for whom I have a valid address. Being away from Washington, and reluctant to just drop in (by phone)on you unannounced, I have little knowledge of what the Board is doing,other than from your press releases. Thus, I don't know which parts of thematerial I have sent you (if any) have been particularly useful, and whatapproach I should take for future submissions (if any). I have asked for the Board's FY 1996 report when it becomes available.It might answer some of my questions. With best wishes for the new year,Paul-----Mr. Wray - I would appreciate the opportunity to make contact with you informally. Basically, I would like to know how I can be most helpful to the Boardover the next year. Please let me know if you would like additional documents or commentsrelating to material I have already submitted. This applies both to my letter to you on to military records, datedSeptember 4, 1996, and to any other letters to the Board which have beenpassed on to you. (My latest letter, dated October 9, was on the Odioincident). If it would be more appropriate for another staff member to contactme, that would be fine. I think Jeremy Gunn and David Marwell are the onlyremaining staffers I have talked to at length, now that Tom Samoluk andAnne Buttimer have moved on. I'm sure you are all as overworked as I am in my day job, but I certainly would appreciate hearing from you. We could set up a phone appointment, or I can be reached by e-mail orphone (O: 510-642-6663; H: 510-525-1980; both have answering machines). Thanks,Paul L. Hoch
