Subject:	ATF Contactcs
Body:	Chet--Thanks for restoring the ATF contacts. It looks as if they are all there. In fact, you can delete some duplicates: you can delete 1 of the 2 1/6/97 call reports (hogarth to Haron) and 2 of the 3 10/24/96 call reports (Haron to Spear/Garcia). In addition, I noticed that the compliance status is inserted in the middle of the call reports -- is there any way to have "compliance status" put after agency profile and to precede all the contact reports? -- Ron
