Subject:	Suggested Reviewtrack Improvement
Body:	As things stand now, the "Evidence Date -- Letter and Pack #" view does not let you enter individual postponement details -- all you can do is look at and edit the RIF as a whole. As a supervisor, I would find this view a lot more helpful if I could enter and edit postponement details also. Is it possible to modify this view to allow me to do so? If it is, then we may as well remove the current "Letter and Pack #" view and substitute it with the new, improved, postponement-detail-accessing "Letter and Pack #" view.Thanks for looking into this.
