Subject: Jeff Morely--FYI

As you probably recall, Jeff had requested help on four documents. We were able to get the CIA to expedite processing of two, which I sent to Jeff yesterday. The other two are being processed for Board action. Jeff received the first two on the day they were sent to NARA, but before they became available to the public at NARA. I asked him not to tell others that he is received "advance" copies or to publish anything regarding the documents before they are available at NARA. He agreed to those conditions. Although I have not told Jeff, we have made a request to CIA on the name (Howard Guebler) in which he is intererested. Best wishes, Jeremy
