MEETING REPORTDocument's Author: Brian Rosen/ARRB Date Created: 01/10/97Meeting Logistics Date: 01/10/97Agecny Name: Department of the ArmyAttendees: Phillip McGuire, Barbara Parker, Ron Haron, Brian RosenTopic: Army CID ComplianceSummary of the Meeting Ron Haron and I visited Army CID at Fort Belvoir to discuss CID compliance with the JFK Act. McGuire and Parker were extremely knowledgeable and cooperative. They had previously provided the Review Board with an initial statement of compliance pursuant to a request by letter from David Marwell. We discussed the scope of the of the records held by CID and the scope of the searches conducted by CID as outlined in the initial compliance statement. We also discussed other potential record sources, such as working papers held by the Provost Marshall. I will follow up on these additional sources. Finally, we made suggestions for the CID's final compliance statement that should make the statement more detailed regarding the specific searches run and the results of those searches. The final compliance statement will likely be completed in the next few days.Don't forget to compose individual Action Item documents for any action items that came from the meeting!
