Subject: Hi!

It was great hearing from you guys. Sounds like everyone is doing well. How's Saudi? Carrie is adorable--I put her picture on the fridge for everyone to see. I see my early influence worked since she now recognizes cows!! saw Kris and Don and the kids over the holidays, they came to my annual Christmas party. One of these years you guys will be here to come too! They all look great and seem to be doing great also. They really look happy.I haven't talked to Barry and Linda in a while although I did get a card from them. Any news on what they and the rest of your family are up to?I guess you have a new niece (or nephew?) on Ricky's side of the family--I remember seeing a sign at the station a while back. Congratulations.Please keep in touch--I'll have this e-mail at least until the end of September when this job is supposed to run out. Can't wait to hear from you soon! Take care and stay safe.Love ya, Trace
