Subject: Meeting

As I mentioned yesterday, I would like to meet with you to discuss the current status of our work with the Secret Service. As preparation for this meeting (as a an agenda), please prepare a list of issues that need to be addressed. The list should include letters that need to be answered, documents that await Board action, requests for additonal records and information that need to be made, requests that await a response, and any other outstanding issues. When you have completed this let me know.Thank, Joan.
