To: Jeremy Gunn/ARRBcc: From: Irene Marr/ARRBDate: 01/23/97 11:41:09 AMSubject: LBJ LibraryI spoke with Tina Houston today about possible dates. She is going to check with the rest of her team and get back to me later this afternoon. We are aiming for 3-4 days the week of Feb. 24th or the week of March 17th. I am pushing for the 24th. The first 2 weeks of March would be interrupted by a symposium one week and spring break the other. Do you think we need the 4 days or would 3 be enough? I also put in a call to Steve to make sure his calendar was clear.
