Body: Chron files from December and previous ar elocated in the 4 series cabinets, bottom drawer. January chron file (the current one) is located in my bottom drawer at my desk. It's labeled Jan. 97. I also have a file in there (my drawer) labeled INFORMATION PACKETS. This is the extra copies of the legislation and those pamphlet handouts to send with letters. Analysts or Jeremy will say when they want the info packets included as attachments. But if they do, the copies are already made and located in this folder for convenience.
