**Subject:** VA records  
I called Celia Winter (202-273-6274), who was Joe Freeman's contact at VA. She said the Nagell issue sounded vaguely familiar, but she could not find any record of her review in her log. She said if she received the records in August, it might not have been entered in her log. She will look in some other places and call me back next week. I told her that the Board would be meeting on January 29, 1997, and would like to consider the entire file.
