I attempted to call both his work number, and his home number at approximately 3:00 P.M., San Francisco time.No one answered at the home number; at work, his answering machine came on, but I did not leave a message since you already had.Maybe we will link up with him on Monday (or maybe you can catch him at home on the weekend).From a radio interview I once heard, he is sometimes out-of-town on assignment, and is often "on the beat" working a case.
