**Subject:** NBC Today Show

I talked this morning with Keith Blackman of the NBC Today Show about our activities. He said that show producers are working on a series about Presidential libraries and may want to include information about ARRB activities. He requested a press kit for background and to be added to our press list for fax releases (202) 885-5185. He'll send a messenger over to pick up the press kit today. Could put a press kit together and let me know when it's ready so I can call him. He's also keenly interested in any new press releases from the Review Board meeting. It might be an opportunity to get some air time for the Hosty news release.
