Subject: FBI-20

Please consider using some of the following in the request. 1. All indices, inventories, guides to the office files of the Director's Office during the tenure of J. Edgar Hoover as well as any memoranda that describe the files or the disposition of the files. By "Director's Office" we mean to include files in the custody or possession of Miss Helen Gandy and any other persons who worked for the Director and who had any responsibility for such files. The records of interest would include any indices or logs pertaining to the Personal and Confidential Files, Official and Confidential Files, telephone recordings, the "Daily Log" of the Director's Office, or any other records maintained by the Director's Office other than those that were recorded in Central Records.I would like to show you a copy of the Daily Log for 2/24/67 to illustrate the type of record we should pursue.
