CALL REPORTDocument's Author: Joseph Masih/ARRB Date Created: 02/04/97 The Players Description of the Call Date: 02/04/97Subject: Records to be reviewed by IRR.Summary of the Call:Randy Rakers the Army Declassifier contacted me about the records which he told ARRB to submit to Elaine Rogic at IRR. He wanted to know the nature of the Army records because he received a call from Mrs. Rogic regarding technical manuals. I told Mr. Rakers that the documents were primarily Army Regulations and not technical manuals. He said he would clear the misunderstanding with Elaine Rogic. We also discussed the possibility of a large declassification session for military documents with all of the agencies holding equities. He was very enthusiastic and offered his help since he now has a new boss. He asked that Chief Military Analyst, Tim Wray give him a call.
