CALL REPORTDocument's Author: Joseph Masih/ARRB Date Created: 02/06/97 The Players Who initiated the call? Review Board's representative in the call: Joseph MasihNaval Criminal Investigative Service's representative in the call: Henry PersonsDescription of the Call Date: 02/06/97Subject: HSCA records at IRRSummary of the Call:I spoke to Henry Persons, the former Director of the Central Security Facility, regarding a memorandum and list of over 60 dossiers which were provided to the HSCA. This list and memorandum pertained to the status of the segregated collection once the HSCA closed down. The records were still held in segregated status for some time after the expiration of the HSCA. Following correspondence between Mr. Persons and Colonel Linnen the Director of Counterintelligence, the records were to be removed from segregated status and prescribed disposition standards applied in April 1989.Therefore many of the records were destroyed following standard disposal procedures and what remains of the HSCA segregated collection will be turned over to the Review Board from IRR.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
