**Subject:** Special documents from January meeting

[Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(1)A] at CIA asked for a draft of the non-source reconsiderations from the last meeting. These include the four documents for which the Board made changes and the documents which they vacated. The four documents that have changes are: 104-10004-10213, 104-10051-10106, 104-10054-10007 and 104-10055-10072. For those we'll need a determination summary. For the notice, I think that they will probably need to go into our reconsideration chart. The other three documents 104-10012-10080, 104-10009-10224 and 180-10078-10479, I do not remember how we decided to handle them. If you do, just a draft of the language we will use in the notice will, I think, be enough for CIA right now.Thanks.
