**Subject:** Noushin Jahanian reference  
I talked to Mary Beth Lambert, former Political Director of the Natl. Women's Political Caucus. Noushin worked as her intern during the summer of 1995. Noushin assisted her in organizing and planning the NWPC National Convention. She planned programs and panels, wrote letters organizing the event, etc. . . . In addition, Noushin researched women candidates and prepared biographies so that the NWPC could decide whether to endorse particular candidates. Ms. Lambert described Noushin as a strong writer, who worked independently on these assignments. She said that Noushin worked well under pressure, paid attention to detail, and asked questions when necessary to complete her work. Ms. Lambert asked me about the work that Noushin might do here. When I described a typical summer for our legal interns, Ms. Lambert said that she was confident that we would be pleased with Noushin's work.
