**Subject:** Jim Lesar  
I spoke with Jim Lesar and he agreed to have me come over and take a look at the depositions of Frazier, Cunningham and others invovled in forensics and ballistics of the Warren Commission. He said he would like 10 cents per copied page. He has not found the transcript of the Novel Civil Case, but regarding the Boswell Transcript he has an idea as to where Dave Montague and I can search in his archive.Lesar has a deadline tomorrow for a brief and asked that I call between 1-2pm in the afternoon about setting a meeting time for later in the week.
