**Subject:** Visit to DC next week  
I'll be in DC for 48 hrs. or so next week and, pursuant to an HSCA related conversation I just had with Brian, I'll be stopping in the office sometime on Wednesday (check with Brian for precise timing). If there's anything related to the AZ interviews that you'd like to go over with me, maybe we could do it then (only if it's helpful to you).
