Kermit's piece in the OAH Newsletter attractedsome favorable attention. I will put something in the AHA Newsletter in lateSpring. However, before I will suggest such a resolution to the AHA, I wouldlike to be certain about the future. As I'm sure you have guessed, I am notvery eager to give up another year unless I am convinced that we know exactlywhat we are doing. Jack presented a good draft agenda two meetings ago, but I was disappointed iin your fax of Feb. 12. We were too busy to discuss it at our one day meetingso I didn't raise the issue. Several items in the draft agenda were left un-answered such as staff information. I also needed an explanation about thenumbers on the right side of the page. I also would like some informationabout the completion dates which seem to me too generous. In general, I stickto my view that another year will be worth something only if we concentratesolely on clearing out more CIA, FBI, NSA and military records. So far, I don'tthink I have that assurance. AnnaCould you send this on to Bill and Henry? For some unknown reason, my formatwill only allow one line after the cc.
