Subject:	Letter to NARA on schedules
Body:	Attached is my suggested revised version. I put it in the "approved" form for external letters. I would go ahead and give it to Jeremy in draft form (non-letterhead). Make sure you have the correct document summary attached. According to the rules, you and I need to initial the document summary before it goes to Jeremy; and once the letter is in final form, Jeremy must initial it before it goes to David.
