CALL REPORTDocument's Author: Joseph Masih/ARRB Date Created: 02/28/97 The Players Who initiated the call? Review Board's representative in the call: Joseph MasihPostal Service's representative in the call: Betty BallDescription of the Call Date: 02/24/97Subject: Postal RIFSSummary of the Call:Betty Ball called on Monday afternoon regarding the letter/fax and disk sent to her regarding the Postal RIFs and documents. She said that for five of the completed RIFs on the disk that she believes that the actual documents exist, but that they are just photocopies and that the originals must have been given to the Review Board. I told her that I crosschecked the print-out, displaying the RIFs on the disk, with the actual RIFs and documents, and found that there is no hardcopy of the RIFs, with accompanying documents, in the collection we received from the Postal Inspection Service.I told her it might be possible that while preferring the originals, if they do not exist then we will take the copies. Regarding the two completed RIFS which show some kind of redaction that she is trying to figure out what happened. As for the other incomplete RIFs on the disk she confirmed our belief that they were data entry errors.I asked that pursuant to the ARRB letter dated February 7, that she delete those RIFs not pertaining to assassination records and that she explain in writing the status of the other seven RIFs which appear to pertain to records or show some kind of redaction. She agreed to the recommendation.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
