Subject: fbi team update
Since the last team update, the members of the FBI team (as such) have been:-- reviewing requested FBI records (including BRILAB material, material on Mark Lane, records from Secret Service liaison and Presidential protection files, and other files) to determine which are assassination records, and finalizing written advice to FBI on which of these records we believe should be processed under the JFK Act; -- meeting with FBI representatives on aspects of the compliance program;-- preparing records for Board vote on postponements, and coordinating this process with FBI;-- coordinating with FBI review and release of HSCA, Army, and Ford Library records referred to FBI.
