Subject: Word from Steve Tilley
I finally heard back from Steve on the issue of getting the documents at College Park diwn here for us to work with. He left a voice mail (which I will forward to you, Tim, and will forward to anyone else upon request) saying basically that he is in the process of getting both the Califano collection and the JCS collection transferred to us. All he needs is to have the higher-ups to sign off on it. He told me that they will do all of this themselves in order to make it as easy as possible for us. He'll be getting back to me as soon as he's gotten the requisite permission. I just wanted to FYI you that we are finally moving on this.
