**Subject:** Possible phone record link...  
Eric:Doug & I are wondering if there is a reference to the following phone # from 1963 at LOC:FE-7-2998We believe it might have been a phone # for the US Armed Forces Institute of Pathology (AFIP), & more specifically for Richard L. Davis, MD. Dr. Davis was the Assistant Chief of Neuropathology at AFIP during 1963.I'll provide a copy of the White House Communication Agency call log, so you'll know what we'rereferring to. Thank you & good luck Eric.
