**Subject:** Corrected Z-Film info...  
I used "know" instead of "no"...Sorry :-)  
\_\_\_\_\_ Les Waffen asked me today if I was aware of  
upcoming Zapruder family efforts re: the film...I said no, but that I'd be happy to relay any info he has to the  
appropriate parties...He said attorney Jamie Silverberg requested to bring an expert to Archives II in order to  
make 4x5 digital images of all the frames from the ORSK Zapruder film housed there...Allegedly, Silverberg  
would like to do this as early as next week...Waffen doubts if he'll be able to actually use NARA's facilities...In a  
convo today w/David Kepley, he confirmed this request & said Silverberg wants NARA's labs & other areas...I  
thanked him for the tip...
