Thanks again for all your efforts, re: my visit. Doubletree was very nice, by the way! I will FedEx the hotel bills by the end of the afternoon (Phoenix-time), so you should have them shortly after reading this E-mail (tomorrow, Friday). You know, I've just realized I have no idea how to fill out the electronic time-slip program Chet created. If Chet ever showed me (and I'm sure he did) how to do it, I've since forgotten altogether. Do you need me to fill it out for this past visit, being as how it was pretty straightforward: 5 days, last Thursday through yesterday (Wed.)? If so, perhaps Chet can refresh my memory as to how to do it. I'll need to learn anyway as I'm supposed to do a couple interviews out here later this month. Thanks again!
