Subject: ARRB Called Stephan Weiss

CALL REPORT: PUBLICDocument's Author: Douglas Horne/ARRB Date Created: 03/10/97 The Players Who initiated the call? Review Board's representative in the call: Douglas HorneWitnesses/Consultants's representative in the call: Stephan WeissDescription of the Call Date: 03/10/97Subject: ARRB Called Stephan WeissSummary of the Call:I explained to Mr. Weiss that I was calling as a follow-up to Mr. Montague's telephonic contact interview of 2/28/97.I told him that my supervisor and I would be in Texas next week and that we would be in Houston on March 21, and that we would like to meet with him the morning of March 21, if at all possible, as a follow-up on the matter he was reticent to discuss with Mr. Montague (i.e., the documents he was shown in 1982 while still on active duty with the Army which were related to the Warren Commission and dossiers). He politely but firmly declined to discuss the matter any further. He said he had given it considerable thought since his telephone discussion with Mr. Montague, and had decided not to discuss it any further, even in person. He said that as far as he was concerned, he was still "on the Army payroll," and had decided that in spite of the fact that ARRB employees have clearances, etc., that he thinks we should get this information from "the Army," and not from him.I repeated our availability to meet in person with him in person on the morning of March 21 in Houston, and asked him to call me collect if he were to change his mind about meeting with us. END Don't forget to compose individual Action Item documents for any action items that resulted from the call!
